André Rieu is returning to Germany in 2016 with his new tour! Enjoy the unique performances by André Rieu, the Johann Strauss Orchestra, choir and soloists. Come and join the party and enjoy the irresistible waltzes, classical music, operetta and musicals... an evening you won't be able to forget. Come and see for yourself why André Rieu has been one of the world's most popular live acts for a number of years.

## Day 1 Arrival

You will be met and welcomed by our travel representative at your **4\* Leonardo Cologne** hotel who will accompany you throughout. After an evening meal at the hotel you will have the evening free to wander round and take in the atmosphere.

## Day 2 Experience Cologne and Mr Rieu

Cologne's Cathedral is Germany's most popular attraction and it is easy to see why. Hugely imposing, with twin steeples over 500ft tall, the gothic masterpiece can be seen from miles around, and it is no wonder that it was placed on the world heritage list. Your guide will explain all about the construction, which took over 600 years to complete, as well as all the features and history, which make this such a special place (no guided tour inside the cathedral). In the evening you will have the highlight of this tour,

André Rieu and his orchestra will take the stage. A swinging evening with the king of waltz, that will remain in your memory for a long time.

## Day 3 Sweet Cologne

We will take you on a guided bus tour of Germany's capital of Carnival. Cologne has a long and illustrious history, which stretches back to Roman times. Your guide will walk you through the centuries and will show you all the sights of the city. To sweeten your day you will explore the huge chocolate museum on a guided tour followed by a tasting at the chocolate fountain. Rounding off this pleasant day we have arranged a typical three course meal in a historic beer cellar, where you can enjoy local specialities, washed down of course with a glass of Koelsch!
