It is mandatory for customers to wear face coverings (preferably face masks) as per government advice. We also supply our drivers with personal protective equipment where necessary.
- 3 Limited seating capacity**
Passengers will be required to only use designated seats to adhere to social distancing rules. Unavailable seats will be clearly marked.
- 4 Accessible Travel**
We strive to ensure that disabled passengers are offered a common high standard of service on-board our vehicles. If you wish to find out more about accessible coach hire options, please contact our team.
- 5 Cleaning**
We have implemented enhanced cleaning regimes. Our vehicles are cleaned multiple times a day; which includes the disinfection of all high contact areas with antiviral products and fogging systems.
- 6 Purifying Air Filters**
Our new air filtration systems will regularly purify the air on-board the vehicle throughout your coach journey.
- 7 Boarding**
Passengers will be required to load rear seats first and leave the vehicle in the reverse order to avoid walking past sitting passengers.
